Basics for Original vs Modified

Original/Stock Class

- Original-type engine
- Original body panels and appearance (repaint OK if factory-like)
- Factory style interior
- Period-correct accessories
- No major mechanical swaps
- Updated wheels and tires as long as rest of vehicle is stock appearing
- Exhaust replacements without major modifications
- Safety updates (seat belts, lights, etc...)
- OEM-equivalent replacement engine or transmission

Modified Class (vehicle is modified if it has any of the following)

- Engine swap not available from the factory
- Aftermarket intake, forced induction or major cam change
- Suspension lift or drop beyond factory limits
- Oversized wheels/tires that alter the stance or body clearance
- Aftermarket paint colors not close to original options, graphics or custom finishes
- Custom interior
- Body alterations (shaved handles, aftermarket bumpers, roll cages, etc.)
